Bluetooth Stereo Headset

The Bluetooth Stereo Headset is a headset that supports music streaming. By connecting the headset to the PC via a Bluetooth USB audio dongle, the user can listen to music in streaming mode. Also, the user can listen to music by connecting the headset to the MP3 via a Bluetooth audio adapter. The sports design of the headset with its light headband allow user to enjoy sheer and unsurpassed comfort. It is perfect for travel entertainment or as an add-on for your home entertainment system. People can switch to mobile phone automatic or manually when there is an incoming call.

FEATURES

- Support mobile phone headset function
- Wireless connection for your MP3, PC/NB, and stereo systems
- Easy controllable via 5-way bottom
- Rechargeable Lithium-Polymer battery for long lasting play
- Comfortable headband
